

NEWSLETTER #17

New Detailed Design Drawings Unveiled

Detailed design drawings for the re-modelling of Milton Road will be presented to the GCP City Deal Assembly and Executive Board for approval in June and July. Links to all the project information and latest drawings are available on the HPERA website at www.hpera.co.uk/milton-rd-local-liasion-forum.

In advance of those meetings, residents will have an opportunity to ask questions to the officers and consultants at the Local Liaison Forum on **Tuesday 5th June, 7.00pm at Chesterton Community College.**

Officers have suggested that it would be helpful if we could submit questions in writing in advance to contactus@greatercambridge.org.uk. The intention is for them to have more time to be able to prepare and answer more effectively, but that will not preclude other questions being put from the floor during the evening.

Three extracts from the plans. To zoom in on all the details and view the layout along the whole length of the road, visit the HPERA website and follow the links.

LEGEND:			
	CARRIAGEWAY FINISH		TACTILE PAVING – RED
	GRASS VERGE		TACTILE PAVING – BUFF
	CYCLEPATH		BUS STOP CAGE
	FOOTWAY		BUS SHELTER
	BLOCK PAVING RED		TREE TO BE KEPT
	PAVING SLABS		TREE TO BE REMOVED
	HARD LANDSCAPING		PROPOSED TREE
	SHARED SURFACE		PROPOSED RAMP
	RAISED CYCLE LANE		DROPPED KERB
	RAISED ACCESS JUNCTION		HIGHWAY BOUNDARY
	PRIVATE VEHICULAR ACCESS		

Some observations: Lack of crossings at Westbrook Drive and bus-stops north of Birch Close. Pedestrian access to crossings at Kings Hedges junction across grass verges? Could the shared-use path on the north side be designated as a footpath only – but problematic for legal cycling use by children+parents? Provision for loading/unloading? Right-turn into Arbury Road? More work needed on layout of shop forecourts. Will it all be scuppered by Mayor Palmer?

Call for Volunteers

Hate waste?

Want to help others?

Could you spare a few hours a week to volunteer for a ground-breaking new initiative in Arbury?

Fairbite is a food club in Arbury Court that will shortly be opening to people known to be struggling to put food on the table. It collects food from retailers that would otherwise go to waste and provides it to those in need.

It operates quite differently from a foodbank because people have to pay a membership fee but then they get to choose the items they want from the shelves like in any other shop.

Volunteers are needed NOW to help with running the shop, sorting and stacking food and with deliveries. Opening day is Thursday 21st June.

Visit www.fairbite.org.uk/volunteer or phone 07772-538628 to find out more.

Fairbite Food Club is supported by the Cambridge Council for Voluntary Services (CCVS).

Fairbite is an initiative of Cambridge City Foodbank, Reg. Charity 1149883, Eng & Wales

Histon Rd Consultation

Public exhibitions prior to board approval:

* Wed 13th June - St Augustine's Church and Hall, Richmond Road, Cambridge. 4-7pm.

* Tues 19th June - Chesterton Community College, Gilbert Road, Cambridge. 5-8pm.

The public consultation runs until 2 July. For more information:

www.greatercambridge.org.uk/histonroadconsultation

Crime Reporting

Calling 999 is strictly reserved for getting an emergency service response and we know that we should use 101 for non-emergency crime reporting.

However, many people experience frustrating delays with the 101 service and we have heard a recommendation from the police to use their online reporting system as an alternative.

The more often that low level crimes (eg speeding motor bikes) are recorded on the system the more likely it is that something will be done.
